Some of the important issues on which we have expertise that will be of benefit to you...

- How to control your future medical treatment and to direct how you are to be looked after in the future if your health fails.
- Ensuring that assets are kept in the family, particularly if your children's relationships go wrong.
- What will happen to your home and savings if you require care in the future.
- Completing your tax returns.
- Second marriages or unmarried couples – how to meet the family's needs fairly.
- How to increase your investment income and pay less tax.
- Giving your house away – pitfalls and alternatives.
- Inheritance Tax – your liability and how to reduce or eliminate it.
- Questioning whether your savings and investments are in the right place?

Shacklocks are unusual in that we have both legal and financial specialists working together on your behalf in the same firm to provide a totally co-ordinated package of services.

For a limited period we are offering a free legal and financial review on these topics to show how we can help you with solutions to these problems.
